Description: Follow Larry as he ping-pongs around New York City, hitting all five boroughs in a day, visiting the places and things that make the city what it is today—from Times Square, Wall Street, and Radio City Music Hall to Coney Island, Madison Square Garden, and Central Park. Along the way he loses Pete and his family in the city's famous subway system. Finally...

Review: One of my favorite books to read to all ages. My elementary-school students love the storyline and rhyme/rhythm, my baby daughter loves the bright colors, and older kids and adults are interested in the fun facts about New York on each page. Perfect for learning about NYC....
